Schull & District Community Council Newsletter

News...

As the summer finally comes to an end, we must **congratulate and thank** all the volunteers who gave of their time to man the Tourist Office. For a second year it has proved to be a vital and important part in the general promotion of the village and area. A huge number of visitors were helped to find accommodation, missing bags, plan their itineraries. The SB&TA provided the large photos and brochure stand.

It is vital that we have a dedicated and efficient **Defibrillator Group** in the village. To that end a group is forming and training sessions are being organized. If you are interested contact us and we will put you in touch with the committee.

Cork County Council have entered into a contractual arrangement with ADA Security to supply and install a CCTV system for Schull. Work on the installation etc. will be starting soon.

Over the summer months a small but dedicated group of people worked hard to keep the village looking a beautiful as possible. Unbelievably they picked up over 250 bags of rubbish. **A huge thank you to all concerned.**

Café Cois Cuan has changed their opening hours for Autumn. The Cafe is now open Monday-Saturday 8:30-17:00, Sunday 9:30-16:00, and closed Wednesday.

The nation wide **Culture Night** is coming up on the 18th. Look out for posters around the village for what is happening; exhibitions, music, plays and film screenings and maybe more free culture!

What's On

Get your imaginations flowing....SDCC are holding a fancy dress **Halloween Ball** in the Hotel on the 31st October. There will be fantastic prizes (really there will), great music and of course some fabulous costumes. The event is very strictly over 18s. Look out for posters for more information.

Highways & Byways

Cork County Council has agreed to re-visit the parking bye-laws on Schull Main St. over the coming months. Whatever comes from it must ensure that all traffic, especially emergency vehicles, is able progress with the minimum of hindrance, while trying to maximise parking on the street. We will keep everyone informed as this progresses.
