Schull has too few bins! But is this an excuse for discarding litter in our streets, parking areas and walkways? If you've got the strength to carry a can or a container when it's full, you've got the strength to carry it to a bin or to your home when it's empty. Please help to keep Schull tidy.

If the Council want any ideas for deploying bins, may I suggest 3 is too many in the Bunratty, Library and Mizen Computers triangle, can we have one in each of the car parks, outside Schull Community College, beaches and lower down Main Street would be a good start. DH

The Drama Group are meeting to read plays in Hackett's Bar, upstairs, tomorrow night at 8 PM. (Thursday the 1st November).
