Published by Schull & District Community Council

May you all have a very healthy and peaceful 2019, from all of us at SDCC. It was wonderful to see the bright Christmas lights and all the visitors Schull had during the Christmas period and especially for the New Year celebrations. It was certainly important to Schull and surrounding area's giving our business community a much needed economic lift.

Before I get into other news, I would like to do a "What's On" in Schull, Ballydehob and Goleen. For example, if you run classes of any sort, card nights, a walking club or do painting classes / therapy, I would love to hear from you at schullnewsletter@gmail.com on or before the 24th of any month. Our Newsletter can then be a point of reference for locals and for any visitors to our communities. I would love to hear from you, so please get in touch. Now to other news.....

Following on from their celebration of 2 years of fabulously entertaining and sometimes educational evenings, **Scoraíocht & Co.** are planning another fun evening (Newman's Corner House) on Friday, 23 January from 8pm onwards. The theme this month is 'Snow' so expect tales of winter treks, historical blizzards, poems, and maybe a song or two from Frozen?! As always everyone is welcome to come along, to either participate or not, but definitely to be entertained. For more information check out their facebook page; facebook/sandcnewmans

The road works coming into Schull from East along are for coach / bus spaces and there is a new fence going up too.

The Baubles at Christmas were a great success and were the brain child of Julia Zagar former secretary to SDCC. Many thanks Julia.
